DR. KHALID EDREES SPECIALIZED MEDICAL CENTER

OVERVIEW

DR. KHALID EDREES SPECIALIZED MEDICAL CENTER

Established in 2006 by Dr. Khalid M. Edrees, consultant podiatric foot and ankle surgeon. It is the first podiatric foot and ankle center in Saudi Arabia offering specialized care in the foot and ankle, diabetic foot and supporting specialties such as vascular surgery, orthopedics and endocrinology. This made us a center of excellence and a reference in the region.
