

Martina Mallia

I have been living with Type 1 diabetes since 2012. I am currently a full-time student at the University of Malta reading for a Master in Accountancy. In my free-time, I love to travel, see new countries and meet new people from various cultural backgrounds. I also truly enjoy youth advocacy, especially relating to diabetes and ensuring that everyone in my community has a voice. This is the main reason why I take pride in forming part of the YOURAH network, to ensure that living with diabetes is made as easy as possible.
